

MALAYSIAN ORTHOPAEDIC ASSOCIATION

PERSATUAN ORTOPEDIK MALAYSIA

27th January 2016

HUMANITARIAN PROGRAMME

OPEN ONLY TO QUALIFIED ORTHOPAEDIC SURGEONS WHO ARE MOA MEMBERS

Project : AOA/IOA Outreach
Venue : Rumah Sakit Zainal Abidin, Banda Aceh, Indonesia
Proposed Dates : 27 & 28 February 2016
Theme : Principle of Musculoskeletal Trauma Management

The ASEAN Orthopaedic Association, together with the Indonesian Orthopaedic Association, would like to organize an outreach program in Banda Aceh, Indonesia.

The make-up of the attendees will be nurses, students and junior doctors. Each volunteer is expected to give 1-2 short lectures on basic principles in trauma and assist or lead a casting workshop. We will also be seeing patients, embark on case and pre-op discussions and perform live surgery. Bahasa speakers will be helpful but for speakers not conversant in Bahasa, talks can be delivered in English and there will interpreters to assist in translating the lectures.

Malaysian Orthopaedic Association will bear the cost of flight, food and accommodation.

Please email me – Dr Shalimar Abdullah at kelapa44@yahoo.com or SMS 019-3230037 if you are interested by Thursday, 18th February 2016.

Thank you.
