

MALAYSIAN ORTHOPAEDIC ASSOCIATION

PERSATUAN ORTOPEDIK MALAYSIA

17th February 2017

HUMANITARIAN PROGRAMME

Calling interested volunteers!!

Mission to Tacloban, Philliimes

Tacloban Hospital (EVRMC (Eastern Visayas Regional Medical Centre)) has 5 orthopaedic surgeons and 6 trainees. They have requested for lectures / workshop / some surgeries on Arthroplasty and Oncology. We have found two oncology surgeons and are looking for one-two more arthroplasty surgeon. The mission will be from **4th – 7th April 2017**. Volunteers have to be MOA members.

Mission to Timor Leste

We are looking for 3 orthopaedic surgeons for a combined teaching and surgical mission. Appropriate cases will be selected by the resident orthopaedic surgeon prior to the arrival of the team. The mission will be during the working week as requested by the hospital there and will include 1 full day to travel there and another full day to return due to the distance. Hence a total of 4-5 days. The mission is planned for **3rd - 6th August 2017**. Volunteers have to be MOA members and confident to do surgery in a basic facility with basic implants (as per needs). However the whole team will also assist and facilitate each other.

Mission to Lebanon

We are looking for expression of interest of any orthopaedic surgeon interested to go to a hospital near Sidon, Lebanon. No dates are set yet. Volunteers have to be MOA members.

The Malaysian Orthopaedic Association will bear the cost of airplane, food and accommodation.

Please email me – Dr Shalimar Abdullah at kelapa44@yahoo.com or SMS 019-3230037 if you are interested by 4th March 2015.

Thank you.

Dr Shalimar Abdullah
MOA Humanitarian Head
