FIRST INTERNATIONAL TISSUE PROCUREMENT WORKSHOP

(EDITION: BONE AND CORNEA)

In conjunction with 4th ANNUAL GENERAL MEETING
(AGM) OF MALAYSIAN ASSOCIATION OF CELL AND
TISSUE BANKING (MACTB)

14—15 Aug 2015
PENANG HOSPITAL

ORGANIZED BY

CO-ORGANIZER

WELCOME REMARKS

FROM CHAIRMAN

Dear Members, Colleagues and Friends,

On behalf of Ministry of Health (MOH) and Malaysian Association of Cell and Tissue Banking (MACTB), it is my great pleasure to invite local and international participants to attend the International Tissue Procurement Workshop for Bone and Cornea this coming August 14-15, 2015 which will be held in Penang General Hospital.

The organizing committee has made every effort to put together an interesting and attractive program which will refresh your knowledge on bone and cornea procurement and have an opportunity to meet experts from different hospitals. The workshop is designed for surgeons, paramedics and procurement personnel, who are interested in gaining new insights in procurement through lectures and practical sessions, which will be beneficial for yourself, hospital and country.

The workshop will provide training that enhance skills in bone and cornea procurement. This is essential to support increasing demands for bone and tissue usages among surgeons as new uses have emerged.

Penang, known as "Pearl of the Orient", is one of the famous islands in South-East Asia. It is renowned for its multi-culture, various local food and heritage. Please do find some leisure time to enjoy the best of Penang.

I sincerely look forward to welcoming all of you to this workshop.

SELAMAT DATANG!

With warmest regards,

ASSOC PROF DR AZURA BINTI MANSOR

Chairman

International Tissue Procurement
Workshop 2015
