

MALAYSIAN ORTHOPAEDIC ASSOCIATION

PERSATUAN ORTOPEDIK MALAYSIA

20th July 2020

Dear MOA Members and Colleagues,

POSTPONEMENT of the 50th Malaysian Orthopaedic Association Annual Scientific Meeting incorporating 40th ASEAN Orthopaedic Association Annual Congress to 2021

We hope this message finds you well and in good health.

COVID-19 has certainly changed the world and as it unfolds, is re-writing our plans for 2020 as well as 2021.

Initially, it was thought that we could delay the meeting to the end of the year, but it has become apparent that with this pandemic, it would be best to reschedule a meeting the size of MOA ASM to next year.

The MOA Council therefore, has come to a decision to hold the 50th Malaysian Orthopaedic Association Annual Scientific Meeting incorporating 40th ASEAN Orthopaedic Association Annual Congress on 24th to 26th June 2021.

MOA Council will need a few more weeks to update our members on the status of our Annual General Meeting.

If you have any questions regarding the Annual Scientific Meeting, please reach out to our Conference Secretariat Ms Dee Dee (012 239 0081) or Ms Nicole (012 655 9542) or send an email to secretariat@moa-home.com

In the meantime, we would like to wish all our members and colleagues good health and stay safe.

Yours Sincerely,

Dr Chye Ping Ching
President
Malaysian Orthopaedic Association 2019 – 2020

Dr Sharifah Roohi Syed Waseem Ahmad
Organising Chairperson
50th Malaysian Orthopaedic Association
Annual Scientific Meeting 2021 &
40th ASEAN Orthopaedic Association
Annual Congress 2021
