### MOA MID-TERM MEETING 2017

#### MOA future planning meeting

The congress is a mid-term meeting with aims to discuss no scientific content relevant for future MOA progress and daily practice. We have prepared a programme that tackle the current issues of fee schedule and medical defence. Future planning of Malaysian Orthopaedic and present issues related to quality of surgeon, controlling board and subspecialty will be discussed. We welcome all the MOA members to participate and enjoy the friendship in more relax environment.

The program is a continuity of 'Leadership meeting in Colmar 2016'.

#### Day 1: 9<sup>th</sup> December 2017 (Saturday)

| Time  |      | Program                                                                                                                                                                                                                                                                                                                                                | Speaker                                                                           |
